

## Using Time Expressions

Combine the verbs listed below with any time expression to write a complete sentence or a question.

Example: send      this morning

Did you send the letter this morning? Or  
My grandparents sent the letter this morning.

- |          |                          |
|----------|--------------------------|
