

**have to / must / not / etc.**

have to/must	must not	don't have to doesn't have to
(necessary)	(don't)	(O.K. but not necessary)

Put into the correct group.

Students in the intensive ESL program...

- pay tuition
- speak their own language in class
- say “sir” or “madam” to their teachers
- wear nice clothes
- cheat on tests
- stand up when they answer a question
- do homework
- fall asleep in class
- say “thank you” to their teachers every day
- use English in class
- be absent many times
- come to class on time
- leave the classroom during class often
